

providing everything I need and bringing me everything I want. I trust the thrust and the thrust justifies my trust by providing everything I need and bringing me everything I want.

It all works out, it all works out, it all works out, it all works out It all works out, it all works out.

I now renounce every vow inadvertently taken to the world to patterns that no longer support me. My subconscious mind knows exactly what to do and how to get it done, and the more I delegate to the subconscious, the smoother and more seamlessly everything rolls for me and everyone around me. Everything rolls smoothly and seamlessly for me, and I don't know why, I don't need to know why.

Everything works to my advantage and I don't know why, everything works to my advantage and I don't know why, everything works to my advantage and I don't know why.

The more I live my life fully, the less I fear death. The less I fear death, the more fully I live my life. The more I live my life fully, the less I fear death the more fully I live my life.

The validation I sought from others is already within me. This is my story, and I now validate myself. Others then mirror that by validating me. The comfort I sought in others is already within me. This is my story and I comfort myself now. Then others mirror that by comforting me. The excitement I sought in others is already within me. This is my story, and I now generate my own excitement. Then others mirror that by exciting me. The entertainment I sought in others is already within me. This is my story and I entertain myself now. Then others then mirror that by entertaining me. The love I sought in others is already within me. This is my story and I love myself now. Others mirror that by loving me.

It all works out, it all works out, it all works out, it all works out.

It all works out. It all works out. It all works out.

Everything works to my advantage and I don't know why.

This is my story, this is my story and the way I tell it to myself is the way it goes. These affirmations are me telling myself my story differently. This is my story and the way I tell it to myself is the way it goes. These affirmations are me telling myself my story differently.

It all works out. It all works out. It all works out, it all works out. It all works out.

This is my story. This is my story and the way I tell it to myself is the way it goes. These affirmations are me telling myself my story differently.

This is my story and the way I tell it to myself is the way it goes. These affirmations are me telling myself my story differently. Telling myself my story differently.

It all works out, it all works out, it all works out, it all works out.

This is my story. This is my story and the way I tell it to myself is the way it goes. These affirmations are me telling myself my story differently.

It all works out.

This is my story and the way I tell it to myself is the way it goes. These affirmations are me telling myself my story differently.

It all works out, it all works out.

Amped up, amped up, amped up, amped up.

You're being amped up.
